

The LAist vacation kitchen checklist

☐ A sharp chef's knife and a paring knife
(probably MOST important)

☐ Paper towels
(lots of rentals don't have them)

☐ Coffee YOU like

☐ Eggs for a quick breakfast
or to add to instant ramen

☐ Essential seasonings
(Salt, oil, hot sauce)

☐ A big prep and serving bowl

☐ A Bluetooth speaker
(so you can dance in the kitchen!)

☐ Essentials for quick-cold cut
sandwiches (easy cleaning!)

☐ Your favorite shelf stable snacks

☐ Nothing — go out to eat, you're on vacation!
