**STATEMENT OF PROBABLE CAUSE FOR SEARCH WARRANT
FOR BLOOD SAMPLE (PENAL CODE §§ 1524(a)(13), 1524(a)(17))**

I, Ofc Lucas, a peace officer with the Sacramento Police Department, state that I have been trained in the enforcement of California traffic laws, including detecting incidents of driving under the influence of alcohol and/or drugs.

On May 19th, 2025, at 1327 hours, Sacramento Police Officers investigated an incident of vehicle accident by **CERVANTES, SABRINA** (here in after "Suspect"), at 14th Street and S St in the County of Sacramento. **CERVANTES, SABRINA** had left the scene of the accident and responded to 6600 Bruceville Rd, Kaiser Hospital. **CERVANTES, SABRINA** was contacted by Sacramento Police officers at 6600 Bruceville Rd in a seated position wearing a black face mask and wearing large sunglasses in the emergency room waiting area. **CERVANTES, SABRINA** when first contacted by Sacramento Police Officers she appeared to have difficulty in getting to a standing position from her seated position. **CERVANTES, SABRINA** was walking approximately 75 feet from a waiting room to a private security room and Sacramento Police officers observed **CERVANTES, SABRINA** with an unsteady gait and when she removed her face mask and sunglasses she appeared to be drowsy while speaking with Sacramento Police officers. When Sacramento Police officers obtained a statement from **CERVANTES, SABRINA** they observed **CERVANTES, SABRINA** to have thick slurred speech, and at times she stumbled over the pronunciation of words during her statement. Based on the training and experience of the Sacramento Police officers who contacted **CERVANTES, SABRINA** the signs and symptoms she displayed are indicative to the impairment of the central nervous system based on the use of depressants.

CERVANTES, SABRINA denied the consuming alcohol prior to driving. When Sacramento Police officers asked **CERVANTES, SABRINA** to perform a Standardized Field Sobriety Tests to assist in the investigation she declined any and all Standardized Field Sobriety Tests and advised she would need to speak with the senate legal counsel first. Based on the training and experience of Sacramento Police officers who contacted **CERVANTES, SABRINA** and their experience in DUI investigations they recognized this to be a potential of a stalling tactic attempting to delay the investigation of DUI. **CERVANTES, SABRINA** then said she would be not provide a blood sample unless a warrant was obtained.

The facts upon which Sacramento Police officers learned that **CERVANTES, SABRINA** was driving a vehicle PL# [REDACTED] that was struck by another vehicle PL# [REDACTED]. A witness [REDACTED] identified that **CERVANTES, SABRINA** was driving the vehicle PL# [REDACTED] and **CERVANTES, SABRINA** also told Sacramento Police officers that she was the driver of the vehicle PL# [REDACTED] and involved in a the vehicle collision.

Suspect exhibited the following sign/symptoms of alcohol/drug intoxication:

x ☐ slurred speech x ☐ slow speech ☐ rapid speech ☐ red/bloodshot eyes

☐ watery eyes ☐ odor of alcohol x ☐ unsteady of feet ☐ stumbling

☐ Suspect's voluntary Preliminary Alcohol Screen (PAS) device test results are as follows:
